Dear Kate

RE: NHS Corby CCG Governing Body question submission

Further to our NHS Corby CCG and NHS Nene CCG Patient and Public Participation Committee in Common meeting on 9 October 2018 queries were raised with regards to submitting questions for the NHS Corby CCG Governing Body.

In response to those concerns raised I would like to outline the processes as below:

- For NHS Corby CCG questions can be submitted to corccg.corbycorporate-services@nhs.net these would need to be submitted by 12pm on the Thursday which preceded the date of the meeting and be submitted by Corby residents and patients registered with a member GP practice. These questions should also be pertinent to the agenda of the governing body.
- For NHS Nene CCG questions can be submitted to nccg.nenecorporate-services@nhs.net these would need to be submitted by 12pm on the Thursday which preceded the date of the meeting and be submitted by Nene residents and patients registered with a member GP practice. These questions should also be pertinent to the agenda of the governing body.

However questions can be raised at any time to NHS Corby CCG and NHS Nene CCG. Details can be found on our individual websites below:

<http://www.corbyccg.nhs.uk/have-your-say/>

<https://www.neneccg.nhs.uk/contact-us/>

I hope the above provides assurance and clarity around the concerns raised. If you have any further queries please do not hesitate to contact me.

Yours sincerely

Kathryn Moody
Director of Contracting and Delivery
NHS Nene CCG and NHS Corby CCG
