**Carers'
Voice
Northamptonshire**

**The louder
our voice
the further
it carries**

Are you a Carer?

What is Carers' Voice?

Getting Involved!

Do you look after someone?

The word 'Carer' refers to someone who provides regular, unpaid help and support for a spouse/partner, family member or friend who is frail, has physical or learning disabilities or any illness including mental health, sensory loss, substance misuse or is alcohol dependent.

This also includes Carers with a parental responsibility for a child with a disability. Young people under the age of 18 and children may also be Carers and are known as young Carers.

If you are a Carer you do not have to necessarily do everything on your own.

Carers come from all walks of life and you may benefit from:

- Meeting other Carers
- Knowing where to get help
- Having occasional breaks from caring
- Looking after your own health and wellbeing

Carers' Voice is a county-wide organisation, working with Healthwatch Northamptonshire, aiming to improve the services available to Carers by seeking Carers' views and opinions and making sure they get heard.

By joining Carers' Voice you can share your own experiences with other Carers, learn about what support for Carers is available, and raise any issues you have as a Carer.

Your views will be fed back to the Carers' Partnership and Healthwatch Northamptonshire, where they can influence the planning and provision of Carers' Support Services for the future.

If you look after someone now or have done in the past (no matter how often or for how long), we can help to get your voice heard and work towards getting Carers a better deal!

The more members we have, the louder our voice and the further it carries.

Join in – Get connected!

- Let us know what areas need improvement
- Tell us your story
- Talk to us informally and in confidence
- Come to our monthly meetings (reasonable travel and sitting expenses paid for)
- Join our mailing list to keep yourself informed what services are out there and how to access them
- Discover what opportunities there are to get involved
